CONGRATULATIONS

To Patricia Coyne and Eamonn Barrett who married recently. We wish them every blessing.

Prayer for Vocations Loving Father, send forth the power of your Holy Spirit upon those in our diocese who you are calling to be priests. Grant them all the graces they need, particularly

the graces of clarity, simplicity of heart and a deep personal relationship with Jesus, with a strong trust that will enable them to respond generously to your call. Grant them the gift of wisdom, that they may recognise your plan for them and grant them the courage to follow it with all their hearts. We ask this through the intercession of Mary our Mother, St. Joseph, St. Muredach, patron of our Diocese and St. John Vianney, patron of priests and in the Holy Name of Jesus. Amen.

Eucharistic Ministers and Readers needed for both Churches. If interested please give your name to Fr. Michael Reilly or Parish Office.

PARISH NOTICES --

Sr Olga and the Orthodox sisters of St Elisabeth Convent provide spiritual and social help more than 200 orphans with special needs. Our assistance stretches from purchasing diapers for the bedridden children to their rehabilitation and socialization. About ten years ago the Convent established a rehab centre where socially vulnerable and disadvantaged people can find support, spiritual care and shelter. Today, there are about 300 people undergoing rehabilitation at the centre. To support all our ministries we opened many work-shops at the convent where we produce beautiful things – icons, pottery, embroidery, variable souvenirs. Sisters participate in different fairs and exhibitions around the world. Also sisters are often invited to visit churches with large section of beautiful things for the parishioners; it usually takes place at the back of the church or in parish hall after Masses time. It is truly a blessing for us to receive support from many kind-hearted people in Ireland. Combined with our sisters' hard work and enthusiasm, such good will is a true miracle, providing real help to real people. They will be arriving on the 21st of July to Belmullet.

THE IRISH NATURE AND HILL FARMERS ASSOCIATION (INHFA) WAS SET UP TWO YEARS AGO WHEN an attempt was made to make the land in the west and poorer type land all over the country ineligible for payments. After many trips to Dublin and Brussels we have made much progress in resolving this, insuring we get our payments on this type of land. Our aim is to represent the 40,000 farmers farming mountain type land, this is the category of which 95% of Mayo are receiving payments for, this includes both hill and lowland and also designated disadvantaged land.

We will be organising several meetings locally in the Erris Region in the next couple of weeks with an aim to elect local branch officers and area representatives to become part of a growing organisation in representing our members at grassroots level. Your participation would be welcomed.
