CATHAOIRLEACH
Mayo County Council

MESSAGE FROM THE CATHAOIRLEACH

As the Cathaoirleach of Mayo County Council, I am delighted to present to you Mayo County Council's Annual Report for the year 2022. This report is an opportunity to reflect on our achievements along with the challenges we faced during the year.

2022 was another challenging year for all as the world emerged from the Covid-19 pandemic and got back to normality. But it brought other challenges on a global scale, such as the war in Ukraine, and once again the people of Mayo stepped up to the plate, as did Mayo County Council, in welcoming those fleeing from the conflict seeking safe refuge.

It was a year when major progress continued improving the infrastructure around Mayo, with a number of major road projects progressing towards completion in 2023, such as the N5 Westport to Turlough Road Project and the N17 & R320 junction at Lisduff. There was much celebration with the official opening of the N26 realignment project at Cloongullane Bridge in October. This project was a major engineering feat and has greatly improved road safety along this busy artery into north Mayo.

Working with our communities is a key component of what a local authority does, and once again Mayo County Council engaged with hundreds of community groups across the county in assisting them and forging brighter futures for communities across Mayo. Those community groups were celebrated with the first-ever Cathaoirleach's Awards for 2021 being presented in early 2022.

Engaging with our diaspora has always been one of the great strengths of Mayo County Council, and with the Home to Mayo initiative around Mayo Day, which returned to a physical event for the first time since the Covid-19 pandemic was a huge success. I was delighted to represent Mayo at the Milwaukee Irish Fest, the worlds largest Irish Festival where over 100,000 people came through the door.

On the tourism front, the beauty of Mayo was shown to the whole world with the acclaimed film "The Banshees of Inisherin," which was largely filmed on Achill Island, showcasing the splendour of our county to the world. 2022 also saw Hollywood come to Westport with the filming of the movie "Irish Wish" – which I was delighted to welcome to Mayo.

As Cathaoirleach, I would like to thank the staff of Mayo County Council for their professionalism and dedication in providing services and assistance to the people of Mayo daily. I want to acknowledge the hard work and dedication of our Chief Executive, Kevin Kelly, and his senior management team. I would also like to thank the elected members for their support and contributions during 2022. Finally, I would like to say thank you to my family for their unwavering support during the year.

Cllr Seamus Weir
Cathaoirleach
Mayo County Council.

Kevin Kelly
CHIEF EXECUTIVE
Mayo County Council

MESSAGE FROM THE CHIEF EXECUTIVE

As Chief Executive, I welcome the publication of the Mayo County Council Annual Report 2022 which gives a great insight into the councils work in delivering key services to the people of Mayo and on the progress being made on current and future projects.

Mayo County Council continues to work together with a variety of stakeholders in delivering projects across the county and I would like to thank them for their continued co-operation and support for Mayo County Council. In particular Mayo County Council now delivers services and projects on behalf of a number of Government Departments as the range of activity continues to expand.

In 2022 Mayo fully re-opened for business after the Covid-19 pandemic and Mayo County Council continued to work alongside businesses and industries to support them in their efforts to get back on a pre-pandemic footing.

However, It was also a year that saw major upheaval with the war in Ukraine and Mayo County Council along with other government agencies played a leading role in supporting refugees fleeing from the conflict. The work locally of all involved in the Community Response Forum is very much appreciated.

The delivery of key local services across the county such as housing, roads, environmental protection, rural water, planning, recreational facilities and the fire service continued to be vital components of the work carried out by Mayo County Council and are outlined in this report. The report also highlights the increasingly diverse range of services that Mayo County Council now delivers including the work of the Local Enterprise Office, Mayo Arts Service, Community Engagement and Tourism sections.

A number of significant capital projects were completed or significantly advanced during 2022 and Mayo County Council is working to ensure that we continue to get approval for similar projects in the future to ensure the continued development of our county.

The delivery of housing in the county continues to be a challenge, but Mayo County Council continued our work to support those in need of housing solutions either through direct provision or other housing supports and has also focused on ensuring that private sector developments can play a key role in addressing current housing shortages.

Finally, I would like to acknowledge the assistance and cooperation of the Cathaoirleach, Cllr Seamus Weir and his predecessor Cllr Michael Smyth over the year. I would also like to thank all the elected members for their input and support during 2022, along with the senior management team and all the council staff who continue to deliver much needed improvements for the people of Mayo.

Kevin Kelly,
Chief Executive,
Mayo County Council

MISSION STATEMENT

.....
“To promote the well-being and quality of life of our citizens and communities in Mayo and to enhance the attractiveness of the County as a place in which to live, work, visit, invest in and enjoy”

VISION

.....
“A county that is sustainable, inclusive, prosperous and proud”

CORPORATE PLAN

.....
Mayo County Council is at the heart of local community, we are a key provider of economic and social development in the county, by delivering vital local services that are central to the quality of life for the people that we represent proudly.

As the leading public sector body, we also support and facilitate those who are responsible for providing key public services. When we deliver our responsibilities, they can deliver their obligations, we are always mindful of this so that we can effectively deliver on our commitments to make County Mayo, Sustainable, Inclusive, Prosperous and Proud.

Our Corporate Plan was devised as a guide in delivering our commitments to the people of County Mayo. It sets out our mission, as the democratic body, of how we work and how we measure our efforts so that the end result transparently demonstrates the successes achieved for our communities.

Mayo County Council is community centred and people focused. Our Councillors represent the people of the county, and our staff is part of the Mayo community. All people and parts of this combined effort to achieve a positive contribution to the continuous and ongoing development of County Mayo.

A successful Mayo requires a successful Council, our Corporate Plan is a cornerstone in devising, tracking and implementing successful aspirations for the County.

2022 HIGHLIGHTS

1. There was significant staff movement within the organisation in 2022. There were 120 appointments made during the year (including 65 promotions) along with 35 resignations and 39 retirements. The overall headcount for Mayo County Council remains similar to 2021, however the council has seen a net increase in full-time equivalents, and new flexible working practices put in place during the year. There were 33 recruitment campaigns launched during 2022 by Mayo County Council.

A number of key factors were responsible to driving the staff movements which included (1) A highly competitive labour market with demand for personal across both the public and private sectors; (2) Technical positions have in particular become increasingly difficult to fill - this may be a possible consequence of the reduction in numbers of construction graduates during the recession; (3) The increase in the number of temporary positions funded by central government projects has led to a high level of inter-county and inter-organisation movement and (4) There is a high number of vacancies due to retirements during the year.
2. Blended Working was introduced in Q3 2022 and is now a part of our flexible working policies with flexible options to combine office and home/hub working. There are currently 320 clerical, administrative, professional and technical staff throughout the organisation availing of Blended Working up to two days per week (or pro rata for job sharers) with significant benefits both in terms of time spent commuting and carbon saving.
3. A new Performance Management and Development System was introduced in Q1 2022 for clerical administrative, technical and professional staff focusing on role clarity and staff development.
4. Learning and Development was a major focus in 2022 and Mayo County Council is committed to providing ongoing learning and development opportunities so that all employees can develop to their full potential. Employees are actively encouraged to pursue education opportunities through our Further Education Scheme and other Training opportunities.

2022 IN NUMBERS

- 120 appointments (including 62 promotions), 35 resignations and 39 retirements in Mayo County Council in 2022
- 33 recruitment campaigns launched in 2022
- 1029 employees availed of 115 courses during 2022, 56% of which were officers and 44% non-officers

Castlebar Regional Training Centre

Castlebar Regional Training Centre (CRTC) provides workplace training on a shared services basis for 6 Local authorities and other public & private sector organisations in the West and Midlands. Mayo County Council are the lead authority.

Training provided is to the highest standard. The facility has accreditation from SOLAS, QQI, City & Guilds and ECITB. The Centre has high quality procurement, data protection and quality assurance standards. A total of 7378 training days were delivered in 2022 with a turnover of €1,632,249.53, an increase of 44% on 2021.

The centre was established to facilitate the provision of appropriate training to local authorities in key operational areas such as Roads, Water and Environment, Fire Services and more recently Housing and Planning. The Centre also provides a wide range of Occupational Health and Safety, Continuing Professional Development, Leadership and ICT courses.

Work is continuing on the new outdoor training facility at Saleen, Castlebar with a revised expected opening date in Q4 2023. This facility will enable the Training Centre to double the volume of high-quality practical training delivered to Local Authorities and private contractors in this region. With recovery in the construction industry, demand from the private sector and new local authority staff the demand for quality training is expected to continue to increase, and Castlebar Regional Training Centre looks forward to a very positive future.

Corporate Development

The Corporate Development Section manages a range of services to the public and Councillors and is also responsible for corporate planning and policy. The section provides administrative support for meetings of the Council. Members expenses and remuneration are also managed here.

Corporate Development oversees the Freedom of Information Unit, requests under GDPR, the Ethics and Electoral Registers, Ombudsman Liaison, Customer Services and the administration of the Audit Committee. The Risk Register for the organisation is also maintained by the section and updated on a quarterly basis and the section oversees insurance management including coordination with IPB on insurance claims, court cases and settlements. The section also coordinates the collation of data throughout the organisation for the local government annual performance indicators which are published by the National Oversight and Audit Commission (NOAC) as part of the annual Local Authority Performance Indicator Report. The 2022 Performance Indicators may be found in Appendix 6 to this report.

FREEDOM OF INFORMATION

Mayo County Council is a public body which is subject to the provisions of the Freedom of Information Act 2014 which allows for the right to request access to records. The Freedom of Information unit deals with requests for records held by Mayo County Council from members of the public, journalists and organisations. The Act also requires the publication of disclosure logs, showing non-personal requests made to the Council, and decisions on those requests. The disclosure log is published quarterly on www.mayo.ie. A total of 142 requests were received by Mayo County Council during 2022 with the breakdown of decisions set out in table on the next page:

Table 1: Freedom of Information Activity 2022

Decision	Number
Requests Granted	54
Requests Part-Granted	43
Requests Refused	22
Requests Withdrawn	1
Requests Transferred	0
Requests handled outside FOI Process	22

GENERAL DATA PROTECTION REGULATION (GDPR)

The General Data Protection Regulation (GDPR), under Article 15, gives individuals the right to request a copy of any of their personal data which are being processed by 'Controllers' (i.e. those who decide how and why data are processed), as well as other relevant information. These requests are often referred to as 'Data Subject Access Requests', or 'Access Requests'. These requests are dealt with by the Data Protection Officer which totalled 13 for 2022.

OMBUDSMAN REFERRALS

There were 20 cases referred by the Office of the Ombudsman to Mayo County Council in 2022.

CUSTOMER SERVICE

Mayo County Council values engagement with customers and the customer service team continue to provide efficient answering or referral of queries for customers via the front desk or by phone services. An average of 198 calls daily were fielded in 2022 by the customer service team. The e-mail addresses customerservice@mayococo.ie and info@mayo.ie also continue to be a central point of access to information for customers.

ETHICS FRAMEWORK COMPLIANCE

The Ethics Registrar is responsible for the issue of annual declaration forms to Councillors and relevant employees from which an Ethics Register is compiled and available for public inspection as provided for by the Local Government Act 2001.

The Elected Members are obliged to complete and return Disclosure of Donation Statement under the Local Elections Act 1999. All statements were returned within the deadline date of 31st January 2022.

Property, Internal Audit & Organisational Change

PROPERTY

Mayo County Council holds and manages property assets as a means of responding to and providing for the diverse and evolving needs of the community. The section has responsibility for the management and maintenance of the council's non-residential property portfolio and its aim is to provide strategic management of this portfolio.

The Property section manages the sale, purchase and leasing of strategic assets as identified through regular strategic reviews of the Property Portfolio. The section also implements the First Registration Process for key properties and landbanks that are owned by the council but not registered on Land Direct, the official Property Registration Authority online land registry service. Property related supports and advisory services are provided to other sections within the council including conveyancing of sales, purchases and leases, Section 183 notices, and land related queries.

Facilities Management falls under the remit of the Property section and focuses on the day-to-day maintenance requirements of the Aras an Chontae campus as well as providing advisory support to other corporate offices located around the county. Facilities Management works closely with other sections to assist with the procurement of maintenance related contracts and assisting with compliance to health and safety procedures.

2022 HIGHLIGHTS

1. Progressed the disposal of properties with no identified strategic requirement, and the purchase of additional properties for community/amenity use.
2. The Expression of Interest process to advertise the opportunity to lease vacant council owned properties was completed in 2022.
3. Managed the procurement and distribution of office furniture requirements for staff as part of the Blending Working rollout.

INTERNAL AUDIT & ORGANISATIONAL CHANGE

The Internal Audit & Organisational Change sections were established in 2022 in order to identify areas of business process improvements internally which will then improve service delivery externally to members of the public. The section assists in mapping and standardising processes, ensuring the council is producing value for money services that provide better customer experiences.

2022 HIGHLIGHTS

1. In partnership with the Information Systems and Innovation section, the capabilities of the online consultation portal were expanded to incorporate an online application portal and a pilot project initiated with the Community Section to begin trialling the new functionality.
2. Initiated a review of the Street Cleaning service provision across the Municipal Districts.
3. A Senior Executive Engineer was appointed to complete a review of all aspects of Mayo County Council's fleet procurement and operations.

Communications

The Communications Department of Mayo County Council had a productive 2022 focused on achieving the key communications priorities and objectives for Mayo County Council, while amplifying the activities that take place within the county to a wider audience.

Striving to improve the quality and reach of public information about council services, events, activities and policies, the Communications Department is responsible for the syndication of all external communications of Mayo County Council, enhancing internal communications within the organisation, promoting the county brand, Mayo.ie, and the delivery of the services of the Irish Office/Oifig na Gaeilge and the Road Safety Awareness programme.

Key activities in 2022 included:

- PR and media management of Council services and projects including the issuing of press releases, answering queries from local and national media and drafting speeches.
- Running proactive social media campaigns promoting Mayo's involvement in national calls such as Social Inclusion Awareness Week, Water Safety Awareness Week, Cruinniu na nÓg, TikTok Mic Drop, Vacant Property Refurbishment Grant, Leave no Trace, Fire Safety Week, Culture Night, To Be Irish at Christmas, Residential Zoned Land Tax, Emergency Accommodation Expressions of Interest and WEE Recycling Events campaigns amongst others.
- Researched and developed content for Mayo County Council's involvement in the national #YourCouncilDay campaign - shining a national spotlight on the great work being done by this council at a grassroots level.

- Mayo Day returned for its eight year on the Saturday of the May bank holiday weekend and for the first time since 2019, it was staged as an in-person event in Castlebar, with music, art, culture and children’s activities spread throughout the town. The theme of Mayo Day 2022 was ‘Home to where the Heart is’ and was the kick-off event for ‘Home to Mayo’, a joint initiative between Mayo County Council, Fáilte Ireland and the Department of Foreign Affairs. ‘Home to Mayo’ was a month-long event, which saw a series of events take place right around the county and over 20,000 visitors were welcomed to Mayo over the month. The legacy of ‘Home to Mayo’ will continue to live on through Mayo Day.
- The Communications Department worked with many sections within Mayo County Council to provide advice and support for events, official visits, launches and campaigns such as the opening of the new Cloongullane Bridge, The Launch of Mayo Social Inclusion Awareness Week, National Women’s Enterprise Day, Age Friendly recognition and achievement awards and National Fire Safety week.
- The Communications Department continued to update the Mayo County Council Image Library with images of the work, people, events and openings of the vital services that Mayo County Council provides.
- The sustained growth and development of both the Mayo.ie and Mayo County Council social media accounts over several platforms was continued in 2022. This enabled citizens to have a trusted source of all news and announcements from Mayo County Council. Mayo.ie continues to lead the way as the focal point for all things Mayo and a connection point for our Diaspora, with MayoCoCo.ie continuing to receive high engagement due to consistent information disseminated during events like extreme weather spells, road closure announcements, interruptions to water supply and general council services updates.
- Roll out of updated Mayo County Council logo and continued roll out of the updated Mayo County Council branding.

2022 HIGHLIGHTS

1. 2022 marked the inaugural annual Mayo County Council Cathaoirleach’s Awards evening. These new civic awards recognise the dedication and efforts of the many community volunteer groups at work in County Mayo, who were celebrated in an Awards Night in early 2022.
2. Following a competitive call out process, €100,000 in funding was secured through the Fáilte Ireland Global Irish Festival Series for a month-long calendar of events that take place in May 2022 which encouraged our Diaspora to return home to visit Mayo under the Home to Mayo Initiative. Over 20,000 visitors travelled home to enjoy more than 26 events that took place county wide with visitors coming from as far as New York and Dubai.
3. Six Mayo County Council initiatives were shortlisted as finalists for the 2022 LAMA Awards which took place in May 2023.
 - Best Green Sustainable initiative - Martin Neary Woodland
 - Community Volunteer of the year - Brendan Duffy, Westport Men’s Sheds
 - Best Community Transport Initiative - Local Link Mayo

Oifig na Gaeilge

Oifig na Gaeilge seeks to sustain and advance the use of Irish in County Mayo and to ensure Mayo County Council meets its Irish language obligations.

Oifig na Gaeilge works closely with Irish language and cultural partners to promote and facilitate the use of the language in the Mayo Gaeltacht and across the wider county. Through inclusive community-focused events, the office aims to raise awareness of the rich linguistic heritage we have in Mayo and to create connections between Irish-speakers and learners across the county.

Oifig na Gaeilge also facilitates and supports the implementation of the Official Languages Acts and related legislation within Mayo County Council. This includes informing staff of language obligations, managing translation provision, providing linguistic and placename advice, and ensuring certain publications, digital content, forms, advertisements etc. are available in both official languages.

2022 HIGHLIGHTS

Promoting the Irish language and supporting our Gaeltacht areas

1. Lá Mhaigh Eo celebrated in Castlebar with modern retelling of the story of Gráinne Mhaol.
2. Gaeilge Iorrais and Ciorcal Comhrá Chaisleán an Bharraigh recognised for their contribution to the Irish language in the Gaeltacht and in the wider county at the inaugural Cathaoirleach's awards.

3. Muintir Mhaigh Eo Mayo gathering organised at the Oireachtas na Samhna Irish-language festival, to raise awareness of the Mayo Gaeltacht and foster connections between our three Gaeltacht areas.
4. Regular engagement maintained with Irish Languages Officers, community organisations and state bodies throughout the year to support implementation of Irish Language Plans in the Gaeltacht and in Gaeltacht Services Towns.

Progress under Official Languages Act and Irish Language Legislation

1. Appointment of new Irish Language Officer in August 2022.
2. Compliance mapping completed in October 2022 and actions identified to facilitate implementation of Official Languages Act 2021.
3. Approach adopted to meet Irish language advertising targets laid down in Section 10(A) of the Official Languages Act 2021.
4. Representative nominated by Mayo County Council to Údarás na Gaeltachta under Section 16 of the Gaeltacht Act 2012.
5. Staff survey conducted in December 2022 to identify staff competent in Irish and interest in Irish language training.
6. Range of publications and content produced bilingually in line with the Official Languages Act and our Language Scheme.
7. Educational material and compliance guidance developed and circulated via staff intranet.
8. Compliance support provided by Oifig na Gaeilge to multiple areas across Mayo County Council including the Arts, Office, Planning, Corporate Development and Communications, Mayo PPN, Municipal Districts and others.

Road Safety Awareness

Mayo County Council, in conjunction with the Road Safety Authority, delivers a programme of education and awareness of Road Safety. This involves promoting the need for caution, and awareness of the dangers on the roads in County Mayo.

The Road Safety Officer delivers a suite of Road Safety Programmes to the public through schools/ colleges, community groups, sporting organisations and local businesses and industries in County Mayo.

The focus of the Road Safety Education programme is vulnerable road users, driver behaviour and attitudes, social responsibility, driving for work, impaired driving and cyclist safety.

The office works with other Departments of Mayo County Council and with the Road Safety Together Committee in the County, comprising of officials of Mayo County Council, HSE West, An Garda Síochána, the Road Safety Authority, and Transport Infrastructure Ireland in the implementation of the Road Safety Strategy.

During the winter period the Road Safety Officer issues daily road safety winter driving tips and advice on the Winter Maintenance Program.

Mayo Road Safety Roadshow

Mayo Road Safety Working Group organises the annual Mayo Road Safety Roadshow in conjunction with Axa. This has been running since 2007, attracting audiences in excess of 1,500 pupils from 29+ secondary schools, including schools from surrounding counties.

The show includes presentations by members of An Garda Síochána, the Ambulance and Fire Services, a Medical Consultant based within the A&E Department of Mayo University Hospital, a family member of a deceased road traffic accident victim, a car crash survivor and an Undertaker, outlining their first-hand experience of dealing with a serious road traffic accident. The hard-hitting Roadshow is aimed at transition year students, encouraging young drivers and those about to commence their driving career, to adopt a responsible attitude in terms of their own driving behaviour.

The Road Safety Education Programme includes visits to schools by the Road Safety Officer and the promotion of Junior Warden and Cycle Training Schemes with schools. With the co-operation of teachers, the Gardaí and parents, these schemes make a significant contribution to Road Safety. The Road Safety Officer also works with the Road Safety Together Committee in the County, whose membership comprises of County Council, HSE West, An Garda Síochána and local community representatives, to successfully implement of the Mayo Road Safety Strategy.

Promotion of Road Safety in Schools

Mayo County Council provides support to An Garda Síochána when visiting schools by providing leaflets, reflective arm bands and other road safety promotional material. The efforts of the Gardaí and their collaboration in promoting Road Safety generally is greatly appreciated.

General Promotion of Road Safety Through Local Media

Mayo County Council operates in support of the Road Safety Authority and also provides general promotion in the local media. During winter the Road Safety Office issues daily winter driving tips and updates about the Winter Maintenance Program.

2022 HIGHLIGHTS

1. Introduction of E-Planning in Mayo: The processing of Planning Applications in Ireland is moving towards a paperless & environmentally friendly domain where applicants have 24/7/365 access to their planning applications, following the introduction of the Local Government Online Planning Portal, which was designed to streamline the processing of planning applications across all Local Authorities in Ireland. E-Planning involves the submission & processing of Planning Applications exclusively in an electronic format, and was introduced in Mayo in November 2022, as part of Phase 1 of the roll-out of E-Planning nationally, under the stewardship of the LGMA. This new approach to dealing with Planning matters offers planning authorities, Planning Agents, applicants, and the public numerous advantages collectively over the processing of hardcopy applications.
2. Mayo County Development Plan 2014-2020: Extension of duration of the Mayo County Development Plan 2014-2020 (as varied) in order to provide a further period of time until the adoption and coming into effect of the new Mayo County Development Plan (March 2022).
3. Mayo County Development Plan 2022-2028: The Mayo County Development Plan was adopted by the Members of Mayo County Council in June 2022 and came into effect in August 2022. The Mayo County Development Plan provides a sustainable framework for economic, social and sustainable development of the County over the plan period. The Mayo County Development Plan was subject to a Ministerial Direction, which was confirmed in December 2022.
4. Publication of the Draft Maps for the Residential Zoned Land Tax (RZLT) for County Mayo (November 2022). The RZLT is a land active measure set out in the Government's national housing plan (Housing for All) aimed at activating appropriately zoned lands for the delivery of future homes.

2022 IN NUMBERS

- 35 appeals to An Bord Pleanála resulted from decisions made by Mayo County Council. Of the 35 decisions appealed, 4 were reversed by the Board.
- 1011 Decisions to Grant planning permission issued during 2022. 79 Decisions to Refuse planning permission issued during the year.
- 552 Pre-Planning appointments at Clinics.
- 1184 valid Planning Applications were received during 2022, a decrease of 249 on 2021.

Planning Enforcement & Building Control

Mayo County Council is the planning enforcement authority for the administrative area of County Mayo. The main function of the Planning Enforcement Section is to investigate written complaints, received in relation to alleged unauthorised developments, in accordance with the Planning and Development Act 2000 (as amended). A summary of activity for the 2022 Planning Enforcement Section is set out below.

9. In 2022 Ireland West Airport Knock with Shannon Airport were jointly launched by Minister Hildegard Naughton in Ireland West Airport Knock as the first airports in the world to achieve Age Friendly status. Both airports also won an Age Friendly Recognition Award.
10. Mayo PPN developed a Community Wellbeing Vision Statement for County Mayo in order to identify what the collective vision and priorities are for the county and on how we can make Mayo the best possible place to live, work, and invest. The Statement is at draft stage and will be launched in 2023.
11. Mayo PPN developed a Community Interactive Map - This map will showcase community groups location and list each group’s services and amenities. The Interactive map is displayed on the PPN website, www.mayoppn.ie.

MAYO LOCAL COMMUNITY DEVELOPMENT COMMITTEE (LCDC):

The LCDC, a Committee of Statutory and Non-Statutory Members, met on 10 occasions in 2022 and comprises 4 working groups: Training, Education & Skills; Health & Wellbeing; Social Inclusion & Community Development; Heritage, Environment, Language & Culture - which operate as part of LCDC structures.

During 2022, Mayo LCDC continued to monitor and implement the community elements of the Local Economic and Community Plan (LECP) through these 4 working groups.

The LCDC has primary responsibility for co-ordinating, planning and overseeing local and community development funding in County Mayo i.e. SICAP and LEADER Programmes.

SICAP 2018-2022 Programme:	Rural Development Programme LEADER:
Mayo LCDC has a management and oversight function in relation to the Social Inclusion and Community Activation Programme 2018-2022 (SICAP). This is a national programme which aims to tackle poverty, social exclusion, and long-term unemployment.	The LEADER Programme provides support to rural communities across the European Union to actively engage and to direct the local development of their area, through community-led local development.

SICAP 2018-2022 Programme:	Rural Development Programme LEADER:
South West Mayo Development Company (SWMDC) is contracted to deliver the SICAP in Lot 29-1 Mayo Islands and Lot 29-3 Castlebar and Claremorris Municipal Districts.	LEADER is a bottom-up approach to delivering support to communities under the national Rural Development Programme 2014-2020. Grants are awarded by Local Action Groups (LAGs) to projects that support delivery of a Locally prepared Development Strategy under 3 main themes: Rural Economic Development, Enterprise Development and Job Creation, Social Inclusion and Rural Environment.
Mayo North East LEADER Partnership (MNELP) is contracted to deliver the SICAP programme in Lot 29-2 - Ballina and West Mayo Municipal Districts.	
In 2022 €1.4 million was spent on this programme in Mayo. MAYO COMMUNITY FUTURES

Mayo Community Futures is a bottom up, community led process through which communities develop a 5-year Community Action Plan for their community.

To date 35 plans have been developed and 17 communities have renewed their plans. In 2022 new communities Aughagower, Ballintubber and Ballyheane launched their plans, Mulranny completed and launched their second renewal plan, Straide launched their renewal plan and Ballinrobe began their Community Futures plan.

The Mayo Traveller Community Futures Plan process also began in 2022.

MAYO UKRAINIAN COMMUNITY RESPONSE

The Mayo Ukrainian Community Response group has active representation from Mayo Volunteer Centre, Mayo County Council, An Garda Síochána, Túsla, PPN, Citizens Information Centre, Local Link, Local Development Companies and Age Friendly Mayo.

This group met fortnightly to coordinate local efforts to welcome new arrivals from Ukraine into the County. The focus has been primarily on the key issues of accommodation, welfare supports and health care services. The group have also responded to co-ordinate the community and voluntary sector response to the integration supports and social supports which is required for the Ukrainian population in the medium and longer term. Examples of these responses include supports and information promoted via the forum and mayo.ie / MayoPPN and providing Health and Well-Being supports.

MAYO JOINT POLICING COMMITTEE

A forum to support consultation and cooperation on policing and crime issues between An Garda Síochána, Local Authority officials, Elected Members and the community and voluntary sectors. Mayo's Joint Policing Committee (JPC) Strategic plan was approved in 2022. Theme's developed under this plan were:

1. Community Engagement
2. Traffic and Road Safety
3. Crime and Drugs
4. Public Order and Anti-Social Behaviour

Sub-committee's for Community Engagement and Crime and Drugs were established in 2022. Sub-committee's for Traffic and Road Safety and Public Order / Anti-Social Behaviour will be established in 2023. These groups are comprised of JPC members and will work towards delivering on actions set out in the Strategic Plan.

The JPC had four meetings in 2022.

Mayo County Childcare Committee

Mayo County Childcare Committee (MCCC) supports the delivery of early childhood care and education programmes in Mayo and works collaboratively and collectively with the Department of Children & Youth Affairs, Pobal and all stakeholders within the childcare sector.

The key focus of MCCC is to support and assist families and early learning and care and school age childcare providers with childcare matters at local level. MCCC works to coordinate the delivery of national childcare programmes and policy at local level and to support and facilitate the development of quality, accessible early learning and care and school age childcare services for the overall benefit of children and their parents by taking a child centred and partnership approach.

MCCC provides information, support, mentoring and guidance about National Childcare Funding and related programmes to parents, early years/school aged childcare services and local agencies which provide financial and educational support to these groups.

Programmes supported include the National Childcare Scheme; the Free Pre-School Year scheme (ECCE); the Community Childcare Subvention Programme (CCSP); Access Inclusion Measure (AIM), a programme designed to ensure that children with disabilities can access ECCE free preschool scheme; Aistear and Siolta, the National Quality and Curriculum Frameworks for Early Years; Parent & Toddler Grant Schemes; Childminding Development Grant Schemes and Learner Fund Bursaries.

Local Enterprise Office

Since their establishment in 2014, the Local Enterprise Offices have sought to ensure that micro enterprises and small business service delivery continues with significant local input within a national micro enterprise policy framework. LEOs have established themselves as the focal point for enterprise development and are central to nurturing an enterprise culture locally.

In Mayo, the LEO operates as a First Stop Shop to deliver support and services to start, grow and develop micro and small businesses. In addition, the LEO promotes awareness and works to develop an enterprise culture and contributes to general economic development.

In 2022 LEO Mayo focused on assisting the business community to recover from the aftermath of COVID-19, and to address the challenges of escalating energy and inflation costs. This involved the administration and management of initiatives such as financial supports, training programmes, and ongoing mentoring and consultancy to provide the most up-to-date support in areas such as LEAN, sustainability and the green economy, and digitalisation to support businesses in an increasingly competitive marketplace.

2022 HIGHLIGHTS

Rural Water Services

(Drinking Water) Regulations 2023), is the Supervisory Authority for all Private Water Suppliers in County Mayo.

The Council administers the Rural Water Programme in County Mayo, which is funded by the Department of Housing, Local Government and Heritage and is committed to working with communities with the aim of schemes being economically viable and environmentally sustainable. There are 173 schemes in operation in Co. Mayo serving more than 18,700 households and businesses.

2022 was the fourth year of the 2019 – 2021 Multi-Annual Rural Water Programme (MARWP), which was extended due to Covid-19 delays, the objective of which is to provide certainty for priority investment to:

- Support implementation of sustainable development in rural areas
- Meet the requirements of Drinking Water Regulations
- Support objectives in River Basin Management Plans

In October 2019 Mayo County Council received its allocations from the DHLGH (Department of Housing, Local Government and Heritage) under the new MARWP 2019 – 2021. €50 million was allocated to the Programme nationally and of this amount Mayo was allocated €15.513 million. This allocation will be spent on over sixty projects benefiting over 70 Group Water Schemes in Mayo. In August 2021, DHLGH allocated a further €5.069 million to fund a new Community Water Connection to serve approximately 600 domestic households in the Murrisk/Lecanvey/Kilsallagh area of Mayo. Additional funding of €1.121 million was approved by DHLGH for our MARWP in 2022.

2022 HIGHLIGHTS

1. **Design, Build & Operate:** The design stage continued for the Mayo DBO Bundle 2 Group Water Schemes treatment plant upgrades to address THM exceedances that have arisen on several schemes. Preliminary design reports for the 10 schemes submitted by the DBO 2 bundle operator were assessed by the DHLGH who subsequently requested “Option Reports” for 6 of the schemes. The DBO Bundle 2 upgrade contract when completed will leave all 23 schemes with a water supply fully compliant with the Drinking Water Regulations.
2. **Network Upgrades and New Schemes: Measure 1 – Source Protection (Group Water Scheme Sector).** Consultant Engineers have been appointed to the Ballycroy GWS (Group Water Scheme) and the Glenhest GWS for the design and procurement stages of extensions to the scheme’s Raw Water Intake Mains which will lower risk of contamination from any future forestry works. Design and Procurement works on Source Protection works for Tooreen / Aughamore GWS & Killaturley GWS are ongoing.
3. **Measure 2 – Public Health Compliance (Group Water Scheme Sector).** Construction phase commenced for Killaturley GWS, Tooreen/Aughamore GWS and Midfield GWS for the upgrade of their existing treatment systems to install an appropriate cryptosporidium barrier. Consultant Engineers appointed and progressing the design and procurement stages of network upgrades and the amalgamations of Callow Lake GWS with Attymass GWS, PBKS GWS with Derryvohey GWS and Robeen GWS with Lough Carra GWS.
4. **Measure 3 – Enhancement of Existing Schemes including Water Conservation.** Works completed on upgrades to the Killasser GWS, Glencorrib GWS and Midfield GWS watermain networks. Tooreen / Aughamore GWS commenced civil works for the upgrade of their watermain network.
5. **Measure 5 – Transition of Existing Group Water Schemes and Group Sewerage Schemes.** Work commenced on design and construction phases of upgrade contracts for Irishtown GWS, Barnacarroil GWS, Loughnamon GWS, Rosspport GWS, Cornboy GWS, Killgalligan GWS, Johnstown/Levallyroe GWS, Brackloon/Westport GWS, Roy Bingham GWS and Cregduff GWS to enable these schemes to connect to the public water network and be “Taken In Charge” by Uisce Éireann.
6. Civil works were completed on Drumsheen/Newtown GWS, and Cloonmore /Cloonlavish GWS to enable these schemes to connect to the Uisce Éireann public water network. The “Taken In Charge” by Uisce Éireann process has commenced for these two schemes.
7. **Measure 6 – Community Water Connections (CWC).** Consultants have been appointed to the Murrisk CWC, Clearagh CWC, Enaghbeg CWC and Aughinish CWC. The design stage of these projects has commenced to provide new drinking water supplies to these communities. These new water supply schemes will provide drinking water to over 700 households in these communities when completed. Construction work has been completed on the new Downpatrick Head CWC. 35 households in the community now have a safe drinking water supply.

2022 IN NUMBERS

- 3 Group Water Schemes were taken in charge by Irish Water in 2022. 14 other schemes have been submitted for takeover which are hoped to be progressed in 2023.
- Works are being carried out on 12 Group Water Schemes in advance of them being submitted for Taking in Charge by Irish Water:
- €5.36 million in subsidies towards the operational costs of schemes were paid out to schemes who applied.

- 380 water samples taken by Southern Scientific Services Ltd. on behalf of MCC
- 18,700+ households and businesses in Mayo are served by the 173 schemes in operation in County Mayo

Environment Climate Change & Agriculture

A high-quality environment is essential for a good quality of life and is a key component of sustainable development. Mayo County Council places a high emphasis on increasing environmental awareness and promoting behavioural changes to foster that quality.

In tandem with the climate action work of the Department, the Environment, Climate Change & Agriculture team is tasked with the enforcement of environmental legislation, the implementation of EU directives and regulations, national and regional policies and the raising of awareness of environmental issues with the general public.

The Climate Action Regional Office (CARO) - Atlantic Seaboard North, which is hosted by Mayo County Council, has continued to support the local authority sector in leading and transitioning to a low carbon and resilient future. Notable elements of work during 2022 include:

- CARO supported the delivery of climate action at a local, regional and national level. The implementation of the 2022 work programme, and many projects and initiatives are now up and running or complete.
- Representatives from the CCMA, LGMA and the CARO appeared before the Oireachtas Joint Committee on Environment & Climate Action in May, to discuss challenges and opportunities for local authorities in climate action.
- CARO played a key role in the development of the Guidance Document for Local Authority Climate Action Plans and are working with local authorities in the region on their emission and climate risk baselines.
- CARO and the CCMA worked with the Department of Environment, Climate and Communications to secure funding for 3 local authority climate action resources as put forward in the 2020 Business Case.
- The CARO is part of the National Coastal Erosion Strategy Steering Group that is reporting to Government on an integrated, whole of Government strategic approach to coastal change.

- The CARO is a project partner with Leave No Trace, MSLETB and the University of Galway on 1 of 18 successful projects being funded under Strand 2 of the Community Climate Action Fund. The project builds on the work the CARO's Sand Dune Awareness campaigns, and involves the development of a series of classroom and onsite training for coastal communities and local authorities to understand the role of coastal NbS and to build the capacity and skills of local communities to adapt to climate change and on how best utilise beaches and dunes as coastal protection.
- Lead by the CARO and with the support of the Sustainable Energy Authority of Ireland (SEAI), the 5 local authorities in the region established a Regional Energy Bureau to sit alongside the CARO to lead an outcome-focused approach to meeting the 2030 local authority targets including retrofitting of public buildings.
- The CARO ran a number of workshops in the region and developed guidance for the integration of climate action into the Local Economic and Community Plans (LECPs).

- Mayo County Council provides the Dog Control Service with its key responsibility being to ensure that dogs in Mayo are licenced and kept under effectual control thus ensuring safety of the public and protecting people's property (e.g.livestock). In 2022, 165 dogs were taken into the Dog Pound. 91 dogs were transferred to Dog Welfare Groups. The number of dogs reclaimed by their owners increased from the previous year to 46.
- 6779 dog licences were issued and 26 dog fines issued during the year. There were 20 premises registered under the Dog Breeding Establishment 2010 Act.
- In 2022 an allocation of €35,000 for animal welfare was made available to 7 animal welfare groups.

Mayo County Fire Service

MAYO COUNTY FIRE SERVICE

Mayo County Fire Service is responsible for the protection of life and property of circa 137,231 people living in the county. We ensure our communities are at the centre of what we do and are committed to keeping people safe, improving quality of life and making our area a better place to live, work and visit.

We provide a range of services aimed at enhancing fire safety in the community by preventing fires from happening in the first instance, ensuring appropriate fire protection measures are in place in buildings, and providing an operational response to incidents when they do occur.

Mayo County Council currently employs 123 firefighters in 12 fire brigade units located around the county. Mayo Fire Service continues to deliver a comprehensive training programme to develop firefighter's skills and to ensure that they are competent and are provided with all necessary equipment and PPE to undertake any task assigned to them.

In addition to the provision of training to our own firefighters, accomplished and experienced instructors from Mayo Fire Service were seconded to the National Directorate for Fire and Emergency Management to deliver national training courses.

Mayo Fire Service's commitment to ongoing improvement of health and safety through the Fire Service's Safety Management System was recognised through another successful ISO 45001 surveillance audit by the National Standards Authority of Ireland in August 2022.

2022 HIGHLIGHTS

1. Work continued on the construction of a new fire station in Crossmolina. At a cost of almost €2 million the build will be 100% grant aided by the Department of Housing, Local Government and Heritage. This new purpose-built fire station will provide significantly improved access and facilities for the Crossmolina fire brigade unit. Completion of the project is expected in May 2023.

2. Mayo Fire Service takes a proactive role in promoting fire safety particularly during Fire Safety Week which took place from 9th - 15th October. Activities carried out during the week included the use of social media and local radio to deliver fire safety messages and fire safety education. We also ran an afternoon of demonstrations outside of Fire Brigade Headquarters in Castlebar where members of the public were invited to learn about fire safety and the risks that exist within the home.
3. 2022 saw the launch of our community fire safety strategy and we have engaged the help and support of our fire fighters in our 12 stations to assist us in delivering our ambitious programme. We successfully initiated our programme of Home Fire Safety Visits to vulnerable people in our county. These visits are carried out by 2 of our fire fighters in each station ground with people who have asked for our help and who have been identified in our vulnerable groups. The visits include advice and help with fire safety concerns, good fire safety practice and the installation of free 10yr battery powered smoke detectors, where necessary.
4. Our Community Fire Safety team also attended many of our county's community and family days to give demonstrations and advice to members of our communities.
5. As part of the continuous Seveso programme aimed at ensuring the protection of people and the environment through agreed and co-ordinated response procedures in the event of a major accident at Upper Tier Seveso Sites, the Emergency Response Plan for Bellanaboy Bridge Gas Terminal, Glenamoy, Ballina was reviewed, revised and issued for public consultation. As part of this programme, a live exercise was carried out with key personnel from An Garda Síochána, the Health Service Executive and the establishment.
6. 2022 saw the introduction of a specially designed vehicle fire blanket for use at fires involving cars, vans and SUV's. The blanket is reusable and is effective on all electric and fossil fuel powered vehicles. The use of the blanket reduces the level of toxic fumes emitted to the atmosphere as well as the quantity of water used. It reduces the likelihood of Thermal runaway occurring- a phenomenon associated with the Lithium-ion batteries in electric vehicles.

2022 IN NUMBERS

- 722 emergency incidents in 2022, resulting in 846 fire brigade responses.

Information Systems

Mayo County Council's IS Department provides Cloud Services, IT Operations, Software Development, Geographic Information Systems (GIS) and IT Security & Infrastructure services for the Council. "Connecting Government 2030: A Digital and ICT Strategy for Ireland's Public Service" underpins the focus and direction for the provision of a digital platform to enhance service delivery to our staff, councillors, citizens, visitors and businesses.

The IS Department continues to build its capabilities both from a technology platform and staff competency perspective with on-going technical and professional training and education.

Cyber Security threats are an ever-increasing risk which has put IT security as the primary consideration in the provision of all IT services. The introduction of a secure blended working environment has allowed the Council to provide a more flexible work space.
