Dear Sir

Hickey's claim

As a result of the opposition
to this claim. Mr Justice's
reversal Judge. Danes Decree
I have not yet learned if it
is to go further but believe
we have seen and heard the
last of it.

D. Dally's claim

In this case there was
a change made by the
passage in the Orders
at Quarter Sessions. In one

case the area of taxation
was altered and in the other
case the amount was reduced

Logher v. Guardians

Casack v. R. D. Council

In these two cases the Guardians
and R. D. Council were
respectively successful

D. Nation's Guardians
The plaintiff in this case
obtained a Decree for the
amount of his claim with
costs and £1-1-0 Expenses
I regard the giving of Expenses
as contrary to precedent
and the well settled practice

of the County Courts where
expenses are now given
except where the party
claiming them lives
at least 3 miles from
the Court House

shall appeal in this
case on if I wait for
your instructions today
I would be late to serve
notice of appeal

Please say if I am to
go on with the appeal
Order: The Board divided on the question of
appealing 2. Guardians
attending 3. Markers of case when
with the appeal and 1. against the
was there for in accordance with the
Article 10 of the General Regulations

or if I am to withdraw
same. It is right to say that
the payment by the Guardian
of this claim is subject to the
Review of the Auditor of the
Local Government Board
I would recommend the Guardian
to adopt a scale of fees
to be allowed in cases of this
kind and otherwise and obtain
the approval of the Local
Government Board for same
Pending such a step it is desirable
to pay the claims made by the
Medical Gentlemen for these
extra Professional services
