Notes for Guidance of Applicant for Completion of Application for a Revised Disability Access Certificate

An application must clearly and fully demonstrate how the building or works comply with the requirements of Part M of the Second Schedule to the Building Regulations.

The application shall be accompanied by the completed application form, appropriate fee where applicable and such plans (including a site or layout plan) (in duplicate) and such other particulars as are necessary to:

- Identify and describe the works or building to which the application relates,
- Enable the building control authority to assess, whether the said works or building would, if constructed in accordance with the said plans, and other particulars, comply with the requirements of Part M of the Second Schedule to the Building Regulations,
- Identify the nature and extent of the proposed use and, where appropriate, of the existing use of the building concerned.

Plans, sections, or drawings shall be required to be at a suitable scale and all text and dimensions should be of a size and colour contrast that can be easily read. Only information pertinent to the application for a Disability Access Certificate should be included.

The application fee is €800 per building, or €500 if application is made prior to commencement and coincides with an application for a Fire Safety Certificate, where relevant.
