CAFES AND RESTAURANTS

May's Restaurant, Main St.
 Welsh's
 Brown's
 Eagle House .. Bridge St.
 Walden's .. Glee St.
 Wynn's .. Main St.

These, despite "restaurant" or "cafe" signs displayed, are not equipped either in dining space, service, or otherwise, as regular refectories — being simply rooms given to teas, dinners etc adjacent to the sleep sections. None is very well equipped. Eagle House and May's perhaps best of lot.
