*“Fool! This very night the demand will be made for your soul;
 and this hoard of yours, whose will it be then?
 So it is when a man stores up treasure for himself
 in place of making himself rich in the sight of God.”*

Priest: Fr Chris Brennan **Mob** (087) 1962 674 **Email:** parishig2017@gmail.com
Newsletter: Liam Keaveney **Mob** (087) 1361 895 **Email:** islandeadyadm@gmail.com

In today's readings, we are told the economy of law and grace turns men's hearts away from avarice and envy. It initiates them into desire for the Sovereign Good; it instructs them in the desires of the Holy Spirit who satisfies man's heart. The God of the promises always warned man against seduction by what from the beginning has seemed "good for food... a delight to the eyes...to be desired to make one wise."

The Train of Life

*At birth we boarded the train and met our parents,
and we believe they will always travel on our side;*

*However, at some station our parents will step down from the train,
leaving us on this journey alone.*

*As time goes by, other people will board the train and they will be significant,
our siblings, friends, children and even the love of your life.*

Many will step down and leave a permanent vacuum.

Others will go unnoticed that we do not realise that they vacated their seats.

This train ride will be full of joy, sorrow, fantasy, expectations, hellos, goodbyes & farewells.

*Success consists of having a good relationship with all passengers,
requiring that we give the best of ourselves.*

The mystery to everyone is:

We do not know which station we ourselves will step down.

So, we must live in the best way;

Love, forgive and offer the best of who we are.

It is important to do this,

*because when the time comes for us to step down & leave our seat empty,
we should leave behind beautiful memories for those who will continue to travel on*

The Train of Life.

I wish you a joyful journey on the train of life. Reap success and give lots of love.

I thank you for being one of the passengers on my train.
