"Thanks to God and to the work of many, we now have vaccines to protect us from COVID-19," "Vaccination is a simple way of promoting the common good and caring for each other, especially the most vulnerable". **Francis said in his message.**

A Student's Prayer for a New School Year

Lord Jesus, I ask for Your help as I begin this new school year.

Allow me to experience Your presence in the many blessings You put before me.

Open my eyes to the new challenges and exciting opportunities that this new school year brings.

Open my heart and mind to new friends and new teachers.

Give me a generous spirit to be enthusiastic with my studies and courage to accept new opportunities.

Help me to be attentive to my teachers and let me experience Your presence in all my friends.

Jesus, inspire me to do my best this year!

Amen

**You are not too dirty for God to cleanse.
You are not too broken for God to fix.
You are not too far for God to reach.
You are not too guilty for God to forgive.
And you are not too worthless for God to love.**
