TRÓCAIRE

Trócaire, with your support, has been working in Malawi for the last forty-eight years. Malita is the single mother of six children and her family's story is unfortunately one that is typical in Malawi as they struggle every day with no direct access to clean water for the household. The effects of climate change have worsened this struggle, and their situation is even more precarious now, due to drought and extreme weather events.

BEATIFICATION PRAYER

Dear Jesus, the Venerable Patrick Peyton devoted his priestly life to strengthening the families of the world by calling them to pray together everyday, especially the Rosary. His message is as important for us now as it was during his life on earth. We beg you, therefore, to hasten the day of his beatification, so that your faithful people everywhere will remember his message that *the family that prays together stays together*, will imitate him in his devotion to your Mother and ours, and will be inspired by his holy life to draw ever closer to you with childlike confidence and love. Amen
