**Prayer for the Missions.**

Dear Lord, as this family goes to serve you, whether it be in a foreign land or even just to another area of their own country, please keep their relationship strong. I ask that you remind them that they are very special to one another, especially while they are serving you in this manner. Please also protect and provide for the family and friends that they have left be-

hind. Help them to look forward to the next time they are able to see one another. Remind them to pray too because You love to hear from Your children. In Jesus name I pray. Amen
