

COMHAIRLE CHONTAE MHAIGH EO

MAYO COUNTY COUNCIL

TAKING IN CHARGE OF HOUSING DEVELOPMENTS APPLICATION FORM CHECKLIST

Any request to have the security for developments released and / or the development taken over, in the first instance shall be accompanied by 3 sets of as-built drawings for the estate to a scale of 1:500 scale showing.

1. The estate boundary depicted in red, open spaces coloured green, all roads, footpaths and public Lights.
2. The position of all services including watermains, valves, hydrants, sewers, road gullies, Telecom ducts/poles, ESB ducts/poles, cablelink (NTL) ducts and all manholes. The invert and cover levels of all manholes shall be indicated relative to Malin ordnance. The longitudinal sections of all sewer lines (both foul and storm) shall be indicated on the drawings along with their diameter.
3. Clear identification of surface water discharge points.
4. 3 copies of a recent CCTV survey/manhole survey of the collection systems. The sewers to be surveyed shall be thoroughly cleaned out first. The CCTV Survey shall be carried out using a camera, which is capable of measuring distances from one manhole to another.

The report shall include a summary of any defects in the systems. Any defects in the systems shall be corrected by the Applicant at his own expense, prior to taking in charge. High-resolution photographs and quality DVD recordings shall supplement the printed report.

5. A certificate is required from the E.S.B. that they are satisfied with the public lighting on the development.
6. The Developer shall furnish evidence to the Council that any necessary wayleaves for services are reserved forever in the transfer documentation to house purchasers.
7. Copy of receipts showing all levies and development contributions have been paid.
8. Copy of the agreed bond for the development or proof of cash security.
9. Copies of any correspondence from the local authority with regard to site instructions or Field Changes which occurred on site during construction.

The developer shall provide a statement that the development has been carried out in accordance with the "Recommendations for Site Development Works for Housing Areas" (Department of the Environment and Local Government, 1998), or the relevant standard which is stated in the planning permission at that particular time, subject to such amendments as have been approved by the Mayo County Council. This statement shall be signed by a suitably qualified person with professional indemnity insurance who is not a beneficiary of the development apart from fees.

The developer shall test watermains and sewers to the satisfaction of Mayo County Council in accordance with "Recommendations for Site Development Works for Housing Areas" (Department of the Environment and Local Government, 1998).

The developer shall complete a copy of the attached "Taking in Charge" form.

There will be an initial fee of €400 payable to The Secretary, Mayo Council, Aras an Chontae, Castlebar, Co Mayo.

Where the estate is found on first inspection to be incomplete or not up to the required standard, then any subsequent inspection will be carried out at a fee of €500 per inspection until the final inspection, where taking in charge is recommended.

Upon the satisfaction of these requirements, the "Taking in Charge" procedure will commence.

NOTE: The "Recommendations for Site Development Works for Housing Areas" (Department of the Environment and Local Government, 1998) is available from:
