The Eucharist is at the heart of 'Christian initiation,' together with Baptism and Confirmation, and it constitutes the source of the Church's life itself. From this sacrament of love, in fact, flows every authentic journey of faith, of communion and of witness

LENS OF THE GOSPEL

Jesus uses parables to make people think about their own responses to his message. As you read this parable you may recognize that at different times you have been like each of the different types of soil. As you recall times when you presented fertile soil for the word of God, what helped you create that receptive atmosphere? What lessons for life do you get from that? *Fr. John Byrne OSA – Intercom*

BEATIFICATION PRAYER

Dear Jesus, the Venerable Patrick Peyton devoted his priestly life to strengthening the families of the world by calling them to pray together everyday, especially the Rosary. His message is as important for us now as it was during his life on earth. We beg you, therefore, to hasten the day of his beatification, so that your faithful people everywhere will remember his message that *the family that prays together stays together*, will imitate him in his devotion to your Mother and ours, and will be inspired by his holy life to draw ever closer to you with childlike confidence and love. Amen
