### LENS OF THE GOSPEL

The opening verses of this gospel invites us to ask ourselves what do we see as our purpose in life? What are our priorities? Is our heart set in material progress and advance, or do we have other priorities? What has helped you to appreciate that there is more to your life than earthly possessions and success?

At times one can sense in Jesus an urgency, as if he wanted to shake people and wake them up to take his words seriously. The parable has that tone: 'Be dressed for action and have your lamp lit.' When have you found that being alert enabled you to grasp a moment of opportunity that you might easily have missed, e.g. when a child or friend gave a hint that they would like to talk, and a very meaningful conversation ensued.

Another consideration that adds to the sense of urgency in the words of Jesus is that we only have one life, and we do not know how long that will last. So, Jesus calls us on us to live now and to treasure our time. Sometimes we can drift aimlessly through a day, and on other occasions a day purposefully.

### BEATIFICATION PRAYER

Dear Jesus, the Venerable Patrick Peyton devoted his priestly life to strengthening the families of the world by calling them to pray together everyday, especially the Rosary. His message is as important for us now as it was during his life on earth. We beg you, therefore, to hasten the day of his beatification, so that your faithful people everywhere will remember his message that *the family that prays together stays together*, will imitate him in his devotion to your Mother and ours, and will be inspired by his holy life to draw ever closer to you with childlike confidence and love. Amen
