In today's Gospel the Cross requires the exodus of Jesus, his death, resurrection and glorification. The disciples have to realise that he must depart, just as they are now prepared for his going up to Jerusalem to die. "This is my Son, the beloved, he enjoys my favour; Listen to him".

I Heard Your Voice in the Wind Today

*I heard your voice in the wind today & I turned to see your face;
The warmth of the wind caressed me as I stood silently in place.
I felt your touch in the sun today as its warmth filled the sky;
I closed my eyes for your embrace and my spirit soared high.*

*I saw your eyes in the window pane as I watched the falling rain;
It seemed as each raindrop fell it quietly said your name.
I held you close in my heart today, it made me feel complete;
You may have died...but you are not gone.
You will always be a part of me..*

*As long as the sun shines...
the wind blows...
the rain falls...*

*You will always live on inside of me forever
for that is all my heart knows.*

**Eternal Rest Grant unto them all O Lord, may perpetual light shine upon them all,
May all their gentle souls Rest in Eternal Peace, Amen.**
