## **NATURE MATTERS**

When there is so much fighting and war at present in the Holy Land, in Israel and Palestine, the land of Jesus our Saviour, let us say the prayer of St Francis, for peace in our own lives and families. St Francis, patron of the environment, fought for peace and justice in the world in his time.

Prayer of St. Francis

Make me a channel of your peace.

Where there is hatred, let me bring your love.

Where there is injury, your pardon, Lord,

And where there's doubt, true faith in you.

Make me a channel of your peace.

Where there's despair in life, let me bring hope.

Where there is darkness, only light,

And where there's sadness, ever joy.

Oh, Master, grant that I may never seek

So much to be consoled as to console.

To be understood as to understand.

To be loved as to love with all my soul.

Make me a channel of your peace.

It is in pardoning that we are pardoned,

in giving of ourselves that we receive,

and in dying that we're born to eternal life
