

I have submitted an application to Mayo Motor Tax Office to tax my small goods vehicle at the Goods Rate of Motor Tax.

I have been advised by the Motor Tax Office that a person taxing a small goods vehicle for the first time at the Goods Rate must have a business registered for income tax purposes with the Revenue Commissioners and must have an Income Tax Registration number and that I am required to submit proof of same to the Motor Tax Office. For the above purposes, I am requesting Revenue to complete this form and stamp appropriately.
