LENS OF THE GOSPEL

- 1. While Jesus is referring to a group situation, the advice can be applied also to personal difficulties and problems with others. What lessons has life taught you about constructive ways of dealing with conflict?
- 2. Jesus also promises to be with his followers when they gather together. What does that mean to you? How have you experienced the presence of Jesus in his followers gathered together? During the recent lockdown due to the coronavirus, how did you experience the presence of Jesus in your faith community?

BEATIFICATION PRAYER

Dear Jesus, the Venerable Patrick Peyton devoted his priestly life to strengthening the families of the world by calling them to pray together everyday, especially the Rosary. His message is as important for us now as it was during his life on earth. We beg you, therefore, to hasten the day of his beatification, so that your faithful people everywhere will remember his message that *the family that prays together stays together*, will imitate him in his devotion to your Mother and ours, and will be inspired by his holy life to draw ever closer to you with childlike confidence and love. Amen
