NATURE MATTERS

Is there anything as precious as blossom? Its arrival in spring catches the deep feeling that words don't reach. The great happening that occurs with the cherry, for example, is beloved especially of the Japanese who even arrange to have picnics under its flowering beaches. So, we have Basho's tender haiku in which he catches the humour and wonder of people finding wind-blown blossom in their soup and salad.

CRIME PREVENTION

An information meeting on Crime prevention and home security will take place in Killasser Community Centre on Thursday 9th November at 8pm. In attendance will be Sgt Sean Cunnane, Crime Prevention Officer, Sgt Regina Carley, Swinford Garda Station and Gérard Costello, Muintir na Tire Community Alert.
