#### **My Guardian Angel**

When my goodnights and prayers are said, And I am safe, tucked up in bed. I know my Guardian Angel stands, And holds my soul between his hands. I cannot see his wings of light, Because I keep my eyes shut tight. For if I open them, I know, My pretty Angel has to go, But through the darkness I can hear, His white wings rustling very near, I know it is his darling wings, Not mother folding up my things.
