Reflection

Community is given to us. We shouldn't seek the ideal community. It is a question of loving those whom God has set beside us today. They are signs of God. We might have chosen different people, people who were more cheerful and intelligent. But these are the ones God has given us, to create and live a covenant. We choose our own friends; but in our families, we do not choose our brothers and sisters; they are given to us. (Jean Vanier, Taiz).
