MAYO COUNTY COUNCIL – COVID-19 UPDATE - March 12th, 2020

As a result of measures announced earlier today by the Government to prevent the spread of COVID-19, Mayo County Council have taken the following actions. All Libraries, Art centres, Museums and Community facilities operated by Mayo County Council will close to the public this evening with effect from 6pm. At this time Leisure Centres remain open.

The day-to-day running of all other services of Mayo County Council remains unaffected at this time. We will continue to work to put measures in place which will allow for contingency should our level of service be affected in the days and weeks ahead.

The management team of Mayo County Council have been meeting on a daily basis in relation to the COVID-19 issue and will continue to meet daily as the situation evolves.

We endeavour to keep the public updated with any disruption to our services through local media and Mayo County Council media channels.

We would encourage the public to follow the guidance issued by our health professionals in relation to COVID-19. In addition, we would encourage the public to watch out for each other particularly the vulnerable in our society .
